

Years 3 and 4 Term 1

How will our learning journey help us to grow?

Sparkling Start

The first few weeks of term is an opportunity for us all to settle into our new class.

Marvellous Middle

We will be performing a puppet show to Ladybird class using the Spanish we have learnt.

Fabulous Finish

We will test out the pneumatic toys we make in our DT lessons.

English

"Gorilla" by Anthony Browne
The children will be writing a diary entry in role, and creating informative non-chronological reports.

Maths

This term we will focus on place value (HTO), and adding and subtracting 1s, 10s, 100s and 1,000s.

Guided Reading

- "The Path" by Bob Staake
- "A World Full of Animal Stories" by Angela McAllister

R.E

The children will be exploring the question: "*What makes us human?*"

Science

Animals including Humans
This term's topic includes nutrition, skeletons and muscles.

History

"How have children's lives changed?"
The children will look at how life for children in England a long time ago compares to today.

D.T

Our little engineers will be investigating how compressed air can create movement when creating a pneumatic toy.

P.E

- Touch rugby
- Swimming

P.S.H.E

"What helps us feel safe and included?"

Spanish

Greetings and taking your leave.
Asking and answering "How are you?!"
